SPEAKER LUEDTKE PRESIDING

SPEAKER LUEDTKE: Legislature will come to order. Prayer by the Chaplain.

CHAPLAIN: Prayer.

SPEAKER LUEDTKE: Roll call. Have you all registered your presence?

CLERK: Mr. President, Senator Fowler and Senator Maxey asked to be excused until they arrive. Senator Rumery asked to be excused at 10:30 for the balance of the day.

SPEAKER LUEDTKE: Record the presence.

CLERK: Quorum present, Mr. President.

SPEAKER LUEDTKE: Quorum being present. Any corrections in the Journal?

CLERK: Mr. President, on 908, line 13, strike spelling of "appropriated".

SPEAKER LUEDTKE: Correction will be so made. Any other notices, reports, or announcements?

CLERK: Mr. President, the Committee on Committees asked that we remind you that they will meet this day at noon in Room 2102. Mr. President, read Select Committee Reports from Enrollment and Review on page 915 of the Journal. LB 401 placed on Select File as amended. LB 264 placed on Select File. LB 45 placed on Select File as amended. Signed Senator Cullan, Chairman. That's all Mr. President.

SPEAKER LUEDTKE: Introduction of bills. Just might announce that since the Legislature will not be meeting here in session this afternoon, all chairmen who would like to hold executive sessions should get an announcement up on the desk before noon so that your committee members are aware of it. Final Reading. Will all senators take their seats and all unauthorized personnel leave the floor? We are now on Final Reading. Chair recognizes Senator Cullan.

SENATOR CULLAN: Mr. Chairman. Again we have something on our desks. I guess this is a point of personal privilege or a point of order.

SPEAKER LUEDTKE: State your point.

SENATOR CULLAN: Again we have something on our desk which is unsigned. We have a list from the Nebraska Stockgrowers Association of how we're supposed to vote on certain bills or their position on these certain bills. I really don't think it's proper to have this type of a thing on our desks unless some senator puts it here.

SPEAKER LUEDTKE: That is correct. The rule is that some senator should have initialed it or authorized...has this been authorized by anybody, Mr. Clerk do you know? The point is well taken Senator Cullan and that should have been authorized by some member of the Legislature. Thank you. All members now at their desks. We'll proceed with Final Reading with LB 88.
